Fall 2011 Newsletter

## Winnie THANKS you!

By now everyone knows the story of Winnie. The newf in need of a new home because her owner had a workplace injury and could no longer care for her. The day before she is to go to her new home, Winnie injures herself and requires surgery. Well you can imagine that the board of directors broke into a cold sweat knowing how much the surgery would cost and how much was in the CNR bank account. Well a call went out to the members and within just over one week the CNR had enough money raised to pay for the surgery! Fantastic people came together, some donated money, some attended events to raise money and some fundraised on their own. We also had a new forever home that was waiting for her after surgery and they were ready to give Winnie the care, support and love that she is going to need to fully recover. We would also like to mention Baldwin Animal Hospital in Whitby, we could not have done this without them.

Winnie is doing absolutely fantastic. She had her surgery and is recovering in her new Forever Home. Her new family keeps us updated and we will all get a chance to meet Winnie and her new family once she is healed and ready to come out.

## CNR business update

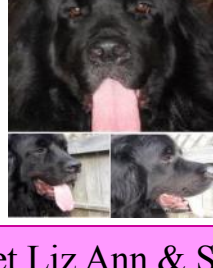

July 2011 brought us to our AGM and we welcomed 2 new board members to the team. We would like to welcome Cameron Q. and Jeanne B. and yes we have them very busy. We are always interested in having more volunteers so if you are interested in taking part, just let us know.

We have also been planning some more avenues for fundraising opportunities so please keep any eye on your emails for updates and information. As well, please remember that we are always happy to except donations and that tax receipts will be given. Let your family and friends know if they are looking for that perfect gift—why not a donation?

### Whitby Christmas Parade and lunch—December 3, 2011

- Mark your calendars now for this fun day. We welcome everyone to join us for a parade on Whitby's main street and then a Christmas lunch. It's a great way to meet others, have some newf chat and start the Christmas season. We also use this as a fund raiser as well. Details will be coming out in your inboxes well as on the website, so keep an eye out.
